23401 Motorbike trailer pictured with 2 rails & a mounting rail (stowed centrally)

Description

This trailer can be used as a twin (sports) or 3 (trials) bike trailer, simple move the position of the rails. Constructed on a robust and fully galvanized frame to offer high anti-corrosion protection. The rear light lamps are set in a protective channel. Sturdy tie-down rings are arranged on the frame allow for secure fastening. Non slip floors are available to allow the trailers to be used for other purposes. In an attempt to keep delivery charges low we reduce the size of the unit, and as such some basic construction is required.

Features

- 1 Mounting Rail
- 1 Rail with Arch (For 2 and 3 Bikes See Accesories for Extra Rails)
- Robust Construction
- Galvanised Chassis
- Tie-down Rings
- Recessed Tail Lamps
