Twin axle TM Plant trailer shown in its standard form.

Description

These heavy duty, high quality trailers have been specifically created using the latest 3D CAD design technology, combined with many years of experience and knowledge. This in turn ensures that our trailers are versatile enough for any professional use. All our products have been tried and tested over many years. We strive to produce professional and innovative design to meet exacting performance specification. Our trailers are designed to incorporate European legislation and regulations, for care free continental travel. The various different elements of the manufacturing process ensure durability and longevity, making them outstanding value for money.

Features

- Highly durable Maintenance Free Independent Rubber Suspension
- Heavy Duty Integral Mudguards
- Tie Down Points
- Loading Ramp with Integral Support
- Prop Stand Kit
