## Description

The TMT001 Tipping Trailer has low maintenance rubber torsion suspension which has been proven in the construction industry and has excellent ride characteristics to cope with operation in both laden and unladen conditions. The tipper body is mounted to the base by utilising 2 rear low friction bearings and a 3 stage hydraulic ram and sits on progressive rubber landing pads which significantly reduce noise when lowering. The Tailboard hinges from the top or the bottom to allow 'Tip Thru' operation. The hydraulic ram is designed to allow maximum number of lifts per charge of the heavy duty battery. The power pack is housed behind a protective cowl. The fail safe hydraulic system also includes an effective manual backup pump. The pendant control (with wander lead) plugs into the power pack enabling the tipping operation to be monitored and controlled safely from the side. The control is magnitised for ease of use.

## Features

- Heavy Duty Slides
- Headboard and Double hinged Tailgate
- Aluminium Clad floor
- Power Tipping Gear and on board battery and remote
- Locking 50mm Ball Coupling
- Spare Wheel

## Specification

| Field                          | Detail                           |
|--------------------------------|----------------------------------|
| Model Code                     | MET35105                         |
| Material                       | Galvanised Steel/Aluminium Floor |
| Internal Length (mm) - (ft in) | 3050 - 10'                       |
| Internal Width (mm) - (ft in)  | 1680 - 5' 6"                     |
| Internal Height (mm) - (ft in) | 380 - 1' 3"                      |
| Gross Capacity (Kg)            | 3500                             |
| Estimated Payload (Kg)         | 2520                             |
| Drawbar Type                   | A-Frame                          |
| Number of Axles                | 2                                |
| Wheel Position                 | in                               |
| Tyre Size                      | 13.0                             |
